YELLOW JACKET

Carol Ann Stephens

Carol Ann,
We have had some wonderful times this year. At your party we had so much fun. In French, when we waved to our "men" every day. I hope you and Johnny go a long way together. You are still one of my best friends and always will be. Just think we'll be Seniors next year. Please be the same sweet and cute girl that you are now.
Best of everything.
Gail

Carol Ann,
We've really had a blast this past year. Sweetie you'll never know how much your clowning + cutting up with me has meant to me. I'll really miss you next year. You better write me and come over to see me at F.S.U. next year. You be sweet and be nice to little ole Johnny.

Love,
Juanita

SONG OF THE CHATTAHOOCHEE

Oh peaceful Chattahoochee,

I feel you're a part of me.

For in your grey-green beauty,

I've found an ecstasy.

In pensive, youthful days,

I watched your tainted waters.

They sang in abstruse ways,

Like a chorus from God's quarters.

One day while kneeling there,

Away from mournful strife,

I found myself aware

Of a tranquil mood in life.

And as I on this plane,

Recall my thoughts I see,

How on that day I gained,

An inspiring sense of serenity.

Marion Barnett

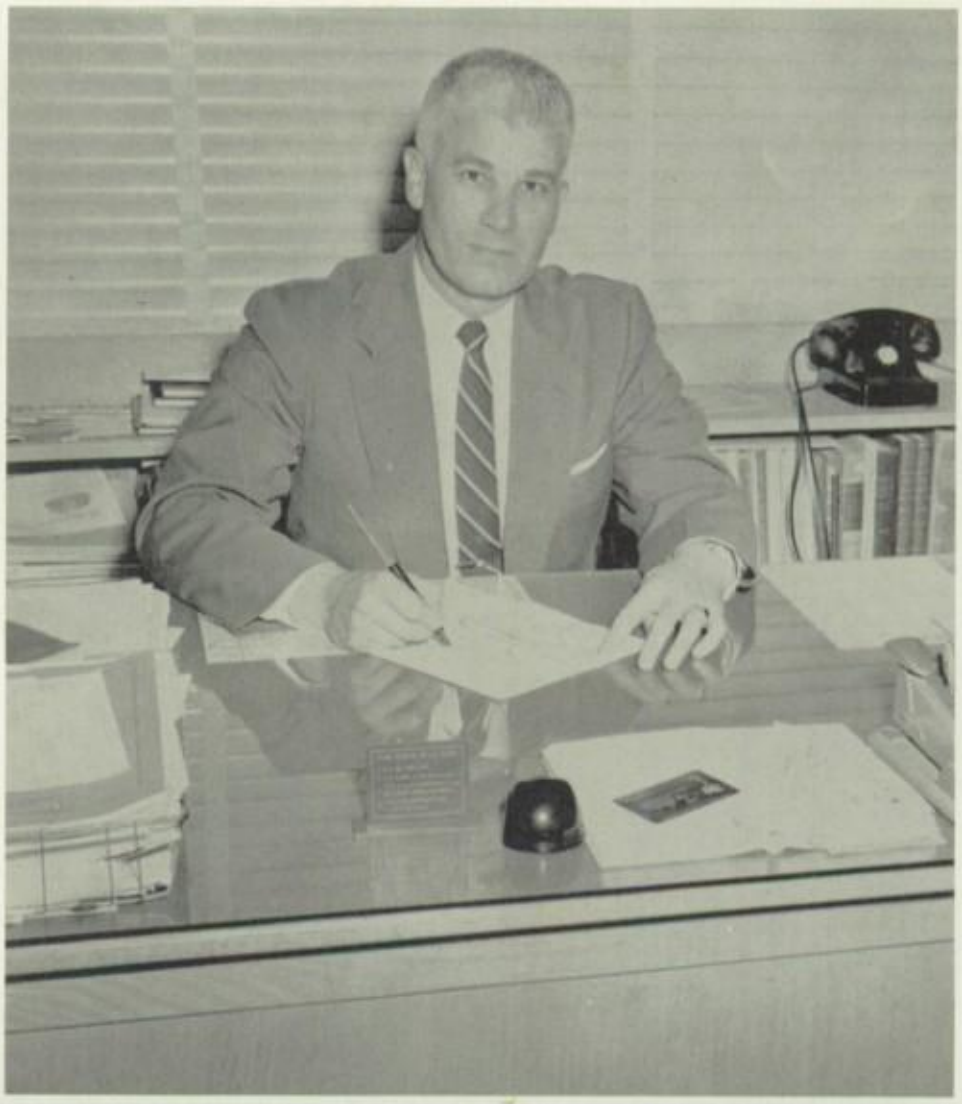
The 1959-60 Annual Staff wish to present this annual to the Student Body of Chattahoochee High School.

Paul A. Coley

Supervising Principal



As we approach the closing of this school year I would like to express my thanks to the faculty and student body for cooperating in making this a successful year.

Again we are proud of the accomplishments of our annual staff and their sponsors. This year's Yellow Jacket should be cherished by all and should always bring back pleasant memories.

I trust that this year has meant much to all of you in terms of intellectual growth, maturity, and wisdom which will enable you to meet the complex problems that lie ahead.

To you seniors, I hope we have helped to instill in you the desire to become the worthwhile citizens and leaders that I know you are capable of being.

Paul A. Coley

Dedication

This dedication comes through the Annual Staff, but from all the students as well as the faculty of Chattahoochee High School.

The warmth of your smile and the sincerity with which you meet us has meant much to us who have known you. We will think of you through the years as one unselfish in service, courageous in difficulties, winsome in personality, and a friend to all who knock on your door.

We dedicate this book - The 1959-60 Yellow Jacket - to you, Mrs. Eloise Gholson, with deep respect, gratitude, and affection.

Carol Ann,

There always comes the time when the best of friends must say goodbye. And it has come that time for you when I must leave. I will be thinking of you next year and praying for you too. But remember, I'll be at Chipola, so I haven't actually left.

Carol Ann, ours is a friendship that I hope will always be. The greatest gift in the world is to have a true friend and I believe I have such a gift.

I shall never forget all the wonderful times we have had together and I hope you won't.

Your very best friend,
Jimmie
